

DEC 2009 Week 5 Newsletter

The contents of your box this week will be made up of the following:

Name	Method	Source
Potatoes	No Spray	Faversham
Carrots	No Spray	Ash
Cabbage	No Spray	Ash
Leeks	No Spray	Ash
Swede	No Spray	Ash
Apples		Maidstone

A quick letter this week as I have taken some time off over Christmas, back to a full newsletter next week.

I hope you all had a good time last week, and all of our produce was up to standard. The weather did its best to delay proceedings, but we go there in the end, thanks for your patience.

The box lacks any leaf veg this week as the farms we get it from are shut this week. It will not keep longer than a week so we could not buy in advance.

Just a reminder to vote for us if you could in the Produced in Kent Awards, website at the top.

Finally I hope you have a good new year and wish you a good 2010; we are certainly looking forward to a better 2010 than 2009.....
